Forgotten Books, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from La Consommation, le Bien-Etre Et le Luxe La tension extreme de la vie economique se manifeste par la diminution du pouvoir d achat des capitaux et du travail et par la hausse du prix. Ce mecanisme tend d une part a stimuler la production et a restreindre la consommation. Dans un milieu libre ou la prevoyance des individus peut s exercer, la hausse des prix se fait sentir long temps d avance, avant que la rarete n ait eu le temps de se manifester, la population se restreint, l industrie et le commerce se sont deja mis en mesure de parer au deficit. En fait les interventions legislatives se proposent les memes fins, mais elles ont le defect de se manifester tardivement et souvent a contre - temps, elles n empechent pas la hausse des prix, mais elles en diminuent les effets saluaires en s efforçant de repartir arbitrairement les produits, elles en favorisent le gaspillage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
