Random House USA Inc, United States, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Phyllis Curott's first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. In Witch Crafting, Phyllis digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone novices and seasoned practitioners alike can use to incorporate the beauty and power of Wicca into their own daily lives. Far from being just another mechanical spell book, Witch Crafting is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Curott's own experiences, Witch Crafting will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your own Book of Shadows
- Keep a magical Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this...
