## HOW TO DESTROY A MAN IN ONE EASY STEP: MEN; GUILTY UNTIL PROVEN INNOCENT!

iUniverse, United States, 2008. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The book is about abuses of the domestic violence laws. I am an attorney in Pennsylvania. I was a victim of domestic violence. As a former victim of Domestic Violence, any violence makes me sad. As a conscientious attorney, the widespread abuse of the Domestic Violence Laws makes me sick. Victims of domestic violence need help! They need more shelters and more counselors. They need a criminal justice system that will punish the abusers and put them in jail! HOWEVER, this has to be done through the criminal justice system and through due process. It has to be taken out of civil court. Men s rights have to be protected as well as the women s rights. The current system is being seriously abused and the potential for continuing abuse is astronomical! Vindictive women and unscrupulous attorneys have made a total mockery out of the current system and way too many innocent men are serving a life sentence because of it!.
