**THIS MIGHT BE A DUMB QUESTION BUT.HOW DOES MONEY WORK? (PAPERBACK)****DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Who wants to know how money works? That's not a dumb question. The real question is, who needs to know how money works? For both questions, it's the same answer . everybody. When it comes to money, most people think the answer is that they just need more of it. Sadly, that is not the answer. If you learn how money works, you will know how to get more money, keep more money, and make money work for you. What you really need to know is how money works . then you will know how to have more of it. If you think that everyone has more money or seems to know more about it than you do, this is not true. Most people don't understand how money works, and most have no more than you do. There are all kinds of government-produced statistics to prove it. Because people don't understand it, they don't save money for retirement (or start early enough), or have enough for a down payment on a home, or to build a nest egg. It's why they spend too much or become payment buyers. It's also the reason most people don't talk about it. They don't want others to know how little they know. Worse yet, they don't want you to know how little they really have. Money is a big source of stress, a cause of divorce, a cause of business failures, a cause for lost friendships, and the last thing anyone will admit they don't know. A common saying is, money is the root of all evil. If that is true, how does...
