Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The drug called Dio was truly a thing of wonder--it could make the old young and the weak strong. However, it also had the power to put users at the mercy of its creator--a mad man intent on using the dreams of the less mighty to make himself strong. Dr Palfrey and Z5 embark on yet another thrilling case in this poignant allegory about our dangerous obsession with youth and strength. Born in Surrey, England in 1908 into a poor family in which there were nine children, John Creasey grew up to be a true master story teller and international sensation. His more than 600 crime, mystery and thriller titles have now sold 80 million copies in 25 languages. These include many popular series such as Gideon of Scotland Yard, The Toff, Dr Palfrey and The Baron. Creasey wrote under many pseudonyms, explaining that booksellers had complained he totally dominated the C section in stores. Never one to sit still, Creasey had a strong social conscience, and stood for Parliament several times, along with founding the One Party Alliance which promoted the idea of government by a coalition of the best minds from across the political spectrum. He founded the British Crime Writers Association, which to this day celebrates outstanding crime writing. The Mystery Writers of America bestowed upon him the Edgar Award for best novel and then in 1969 the ultimate Grand Master Award.
