## Plural Loves: Designs for Bi and Poly Living (Hardback)

By Serena Anderlini-D Onofrio

Taylor Francis Inc, United States, 2005. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. When limitations are removed from loving (and from lovemaking), new worlds of possibility are opened. This book presents insiders viewpoints on bisexual/polyamorous living! With historical and theoretical perspectives, testimonials, reports from the field, and creative writing, Plural Loves: Designs for Bi and Poly Living examines group marriage, polyfidelity, cheating, solo-sex (and group solo-sex), utopian communities, tantric expression and sacred eroticism, transculturalization, and much more. This book explores the common ground shared by the bisexual and polyamorist movements, and addresses the ways bisexual polyamory has been portrayed in films and literature in the United States and Europe. Editor Serena Anderlini-D Onofrio even includes a candid chapter recounting her erotic experiences with a Catholic priest from Africa--and their meaning in the context of bisexual polyamory. Plural Loves: Designs for Bi and Poly Living presents: \* insider perspectives from members of polygamous groups, including the polyamorous circle Komaja and the Trent Polyamory Society \* insights into the benefits of self-sex for singles/couples/poly people \* a look at poly...
