quot;human resources management decisions have long term consequences both positive and negative and must be deployed with diligence.quot;

The Structures for Strategy Human Resources Management Plan is a strategy-crafting tool ideal for human resources management planning. This formula is of specific interest to professional career HR managers for use as a comprehensive checklist in addressing strategic staffing issues. HUMAN RESOURCES MANAGEMENT PLANNING is about managing human resources as a potential return on investment instead of being a cost liability. It is about development, empowerment and recruitment of participation for success. HRM is a focus upon competitive advantage driven by concerns for competence in the face of rivals vying for market dominance supported by the techniques required in retaining vital skills. Useful for the: \*SBU/General/Corporate Manager \*Small Business Owner \*Entrepreneur .seeking to ensure that the skills they manage are deployed with the best results. The unique design of the framework templates and methodology, utilized throughout the planning format, provides a pathway towards motivating trust through responsible goal-orientation based upon conflict-free work situations.
