Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.- Today, Tomorrow Yesterday - A Write-in Journal - Welcome to Today, Tomorrow Yesterday, your path to successful journaling. A pocketable, convenient, easily accessible write-in journal. - Today, Tomorrow Yesterday can be a journal, a diary or a chronicle for the present, the past or the future. It s a journal with echoes from Great Minds. These echoes/quotes from great minds can be like your personal muses, your guides, taking you through the day with inspiration and insight. - We re not like those other big bulky journals; this journal is small enough to fit into your pocket or purse. It gives you easy access to jot down at any time, day or night: feelings, experiences and insights about today, tomorrow or yesterday. - It makes an excellent personal diary or a journal of an event: a lecture, a teaching, a meeting, etc. An event taking place today, tomorrow, or one that happened yesterday. And what s also great about this journal is: it s expandable. - It gives you the ability to expand your chronicle indefinitely. - - Having a hard time, getting a journal or diary started? For most people getting started, laying down those first words, can be one of the most difficult parts of journaling. In our journals, we made that step super easy. Now anybody can start journaling with our easy two-step method. Steps I like to call, the: when-do-I and how-do-I start-steps; your two simple steps to getting started and becoming a successful writer, diarist or journalist. - - A larger (8x10) version is also available. - - See: Today Tomorrow Yesterday Volume 2+ for more information about expanding this journal....
