He longs for one thing and one thing only: a better life in a better place. With his life on the line and money on his mind this teenager leaves Panama and heads to the US in an effort to provide a better life for himself, his woman, and his family. Money is the only thing that can change his life for the better, yet the power of the dollar is also the very thing that can tear his life apart. Some people will do anything for a dollar, but Vicioso soon learns that Money Ain t Everything. Watch him climb from the bottom to the top in the only way that he knows how. From New York to Philly all the way to DC, Vicioso takes no shortcuts about his paper; and what he endures along the way will leave you wondering what will happen next in this street tale.
