Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Sunday School Prayer Book The Book of Common Prayer contains no provision for worship in the Sunday-school, and the multitude of published liturgies would seem to be sufficient evidence that a prayer-book, especially adapted to children, is a universal want in the church. The more the Sunday-school system is perfected, the more will this want be felt. The children practically form a congregation by themselves, with a worship and teaching of their own. They need, therefore, a prayer-book of their own - not by any means as a substitute for the great manual, (any more than attendance at Sunday-school is a substitute for attendance at church, ) but rather as an introduction to it - a sort of primer prayer-book, so closely resembling it in form and arrangement as to engage their interest and affection, and yet so child-like in character as to be outgrown with childhood. The difficulty of preparing such a work will be appreciated when it is considered how much it involves. In the first place, it must retain all the effective and attractive features of its model - even the familiar names. In the next place, It must be minutely accurate in doctrinal expression. If it undertakes to follow the circle of the Church year, it must unfold the panoramic lesson of the Church, and bring into view every prominent event in the life of Christ, every doctrine of the Gospel, and every particular of Christian duty. In order to be effective and attractive, it must be constantly changeable, animated. Interesting, and inspiring, and yet be so simply constructed as to be used with facility by children of all ages....
