Baker Publishing Group, United States, 2007. Paperback. Book Condition: New. Repackaged ed.. 211 x 140 mm. Language: English . Brand New Book. This is a classic that has stood the test of time. For forty-five years, seminary students and pastors have benefited from the principles found in this book. Two of Koller s popular texts, Expository Preaching without Notes and Sermons Preached without Notes, are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes. Among the eighteen topics discussed are the biblical conception of preaching, the advantages of preaching without notes, homiletical devices, the importance of structure, and the systematic filing of materials. Now repackaged for the next generation of preachers, with a foreword by current Northern Seminary preaching professor Michael J. Quicke, How to Preach without Notes is poised to continue its history of strong and steady sales.
