Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Plan implements the National Strategy for Maritime Security<sup>3</sup> (Strategy) and the Policy for the Repression of Piracy and other Criminal Acts of Violence at Sea<sup>4</sup> (Policy). The Strategy affirms the vital national interest of the United States in maritime security and recognizes that nations have a common interest in achieving two complementary objectives: facilitating the vibrant maritime commerce that underpins economic security; and protecting against piracy, robbery at sea, and related maritime crime. Our Policy provides that we shall continue to lead and support international efforts to repress piracy and urge other States to take decisive action both individually and through international efforts. 5 Through this Plan, the United States will seek to involve all nations, international organizations, industry, and other entities that have an interest in maritime security to take steps to repress piracy and related maritime crime. An integrated and comprehensive approach, through international coordination and cooperation, will advance objectives that enhance the global economy and promote freedom of the seas. The nations of the world have long considered pirates to be universal enemies of mankind. Under customary international law, as reflected in the 1982 Law of the Sea Convention, every nation has jurisdiction to prosecute a suspected pirate for the crime of piracy, regardless of any connection between the State and the suspected pirate, the vessel, or the victims. Our interdependent and interconnected global society revolves around a world economy that depends upon maritime shipping. Governments must collaborate with international organizations and the shipping industry to confront and repress any persistent threat to global commerce. Piracy and related maritime crime continue to plague mariners throughout the world and will continue to pose obstacles to...
