The last thing Cleopatra Knight expects on her business trip to Tokyo is to fall into bed with her arrogant, irresistibly hot boss, Dante Damaso. It's a mistake--a steamy, mind-blowingly satisfying mistake. But a few nights of passion with the superwealthy bad boy prove to have long-term effects when Cleo's world is unexpectedly turned upside down. Dante has cultivated an enviable, jet-setting lifestyle: beautiful women, exotic destinations, and luxury without limits. He's not looking to be domesticated, and certainly not by his assistant--even though he can't get her out of his mind. Still, he knows he has both the responsibility and the financial means to help Cleo. Though Cleo has no interest in Dante's money, her lack of prospects gives her little choice but to accept his help. But living under the same roof, Dante discovers he wants more, and if Cleo lets down her guard, she just might find what her heart's wanted all along.
