Lippincott Williams and Wilkins, United States, 2013. Hardback. Book Condition: New. 7th revised international ed. 282 x 222 mm. Language: English . Brand New Book. Prepare for your role as a maternity and child health care nurse with this updated Seventh Edition of Adele Pillitteri's highly respected text! Presenting maternal-newborn and child health care not as two separate disciplines, but as a continuum of knowledge, the book presents the experience of wellness and illness as family-centered events and pregnancy and childbirth as periods of wellness in a woman's life. Using a nursing process framework, the book's clear, easy-to-understand presentation and wide range of built-in learning aids is designed throughout to help you master important concepts and skills. You can develop critical thinking skills and make the leap from theory to practice through threaded Case Studies that follow a community of maternity and pediatric clients through each chapter. You can build skills in nursing care planning with easy-to-understand, integrated coverage in the text, enhanced by an online Care Plan maker. You can prepare for your role as a coordinator of care through Interprofessional Care Maps that demonstrate the nursing process. You can learn to conduct accurate client assessments with Nursing Care Planning Using Assessment Boxes that give you specific how-to tips. You can broaden your knowledge of correct administration, potential complications, indications, and contraindications of drugs through Nursing Care Planning Based on Respect for Pharmacology boxes that ensure accuracy when administering drugs. You can learn to anticipate and manage various clinical challenges with confidence through open-ended What If? questions. Prepare for sound practice with the step-by-step guidance provided in Nursing Care Planning Using Procedures Boxes. You can build your skills in culturally sensitive practice with Nursing Care Planning Based on Effective Communication and Nursing Care Planning to...
