Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Practice and Feedback for Deeper Learning studies five strategies and 26 specific tactics to promote deeper learning and application from practice and feedback in adult instruction. If you build instructional materials for an applied adult audience, you NEED this book! Practice and feedback are two of the most essential elements of instruction and getting them right is the difference between instruction that doesn't connect and deep learning and application. Practice is where people go from what to how. Feedback offers information needed for next steps. How we implement these two critical elements make all the difference and this book shows how. The strategies and tactics come from training and adult learning research and were selected because of their impact on training and learning outcomes. The five strategies are: Strategy 1: Analyze the Job Context Strategy 2: Practice for Self-direction Strategy 3: Practice for Transfer Strategy 4: Practice for Remembering Strategy 5: Give Effective Feedback These are the strategies and tactics needed to make instruction more relevant and responsive to today's changing workplace and needs. The book is filled with examples, checklists, and job aids to help you apply the tactics in your own situation. Praise for Practice and Feedback for Deeper Learning Practice and Feedback for Deeper Learning is a research-to-practice powerhouse! Filled with golden nuggets of practical insight, Patti Shank's book shares fundamental strategies in a uniquely crisp and coherent manner. A book worthy of being in the personal library of every instructional designer! Will Thalheimer, PhD, President, Work-Learning Research, Inc.
