Wordsworth Editions Ltd, United Kingdom, 1998. Paperback. Condition: New. S. L. Fildes (illustrator). New edition. Language: English . Brand New Book. With an Introduction and Notes by Peter Preston, University of Nottingham. Illustrations by S.L. Fildes and Hablot K. Browne (Phiz). Dickens s final novel, left unfinished at his death, is a tale of mystery whose fast-paced action takes place in an ancient cathedral city and in some of the darkest places in nineteenth-century London. Drugs, sexual obsession, colonial adventuring and puzzles about identity are among the novel s themes. At the centre of the plot lie the baffling disappearance of Edwin Drood and the many explanations of his whereabouts. A sombre and menacing atmosphere, a fascinating range of characters and Dickens s usual superb command of language combine to make this an exciting and tantalising story. Also included in this volume are a number of unjustly neglected stories and sketches, with subjects as different as murder and guilt and childhood romance. This unusual selection illustrates Dickens s immense creativity and versatility.
