## CLAY WORK: A HANDBOOK FOR TEACHERS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Clay Work: A Handbook for Teachers In many of our most progressive schools clay-work is receiving marked attention as a means of hand training and art expression. But the progress of such work has been somewhat retarded owing to a lack of available information on the subject. The object of this book is: first, to help teachers in acquiring the technique of clay-working; second, to offer several types of clay-work from which selection may be made. Detailed description of the processes of working, with numerous illustrative photographs are given; also photographs of finished models which, with a few exceptions, have been modeled by pupils from ten to twelve years of age in the public schools. The author is indebted to Charles A. Bennett, professor of manual arts, Bradley Polytechnic Institute, Peoria, Ill., for many valuable suggestions; also to Fred D. Crawshaw, principal of the Franklin School, Peoria, for encouragement in developing many of the types of clay-work illustrated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
