Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Emotions and language.! Are there any specifications to express emotions? In terms of emotions, it s an expressive language. All the emotions are the same irrespective of cast, race, religion and more importantly languages. It s a universal language. The face, the eyes and the lips are the media to reach one s heart and mind. Expression is the best mirror of any thought or emotion. The other term of the same category is Feelings . It is more expressive. To feel means to understand or experience by heart and mind. Music is also related with emotions. I heard a lot of music since my childhood. I hardly remember the lyrics but can t forget the music. The violin piece used in Kaheta hai babul. sung by Amitjee is close to my heart. Rang dilki dhadkan. an old number sung by Latajee. This is the emotional music. I would like to share an experience of a Japanese movie Midnight Sun , without any subtitles. It touched me because of the emotionalize characters. I involved in the movie without understanding a single word. When I decided to write Akka s story, I never thought about the language but the emotions of it. My sincere wish was to reach the maximum people. I recalled my teacher. He used to say read in between two lines . When I wrote the story and felt its tender feel not in the words but in the blank spaces. The big question how to take the readers to these blank spaces of emotions? While transforming emotions in to words two things emerged. Number one emotions never err. Number two the words may err. Just...
