Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 170 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. Where do we go when the trials and pain of life's uncertainty fuel the cruel winds which blow and shake the house that self built? When job loss, sickness, alcoholism, drug addiction, or death knocks at our door? When we cry out in silent screams of desperation, Do you hear me? Do you not care that I'm perishing? The Cancer word delivers a cruel and suffocating punch of reality to our lives and threatens to kill us. Dark and hopeless agents of doom parade their deadly whispers to our brain, hoping to find a secure hold from which to drop their deadly poison to our hearts. In the midst of our terrifying experience we can cry out to God for help or submit to the voices of those agents of doom. Here is what cancer can't do - It can't cripple Love, it can't shatter Hope, it can't corrode Faith, It can't take away Peace, it can't destroy Confidence, it can't silence Courage, It can't kill Friendship, it can't suppress Memories, it can't invade the Soul. Cancer is Very limited! In *Cancer Births a String of Pearls*, author Felipe Chavez encourages us to dare to be vulnerable and look deeply into the Tower of Self, for therein lies a more sinister and deadly form of cancer which affects us and all those around us.
