James Caan, author of Get the Job You Really Want and Britain's most dynamic entrepreneur, teaches you how to work for yourself in just one week in Start Your Business in 7 Days . Everybody wants to be an entrepreneur. Every single day of my life I am bombarded by people with pitches. But 90 per cent of new businesses fail, because their founders failed to ask themselves the simplest of questions. I can save you years of wasted time and thousands of pounds of wasted money by giving you the ammunition to ask the right questions, and helping you make the decision that is right for you. I will show you how to spend a maximum of seven days deciding if your idea is workable and bankable. How to say I'm in , but equally importantly, to have the courage to say I'm out . How to become your own Dragon. Each piece of advice in this book is based on my thirty years of starting businesses. You will find all the fundamental ingredients for any new company, whatever sector you want to be in, whatever size of business you have in mind, along with the tools to make it work. You can be one of the 10 per cent of businesses that do make it. -James Caan. James Caan is one of the UK's most successful and dynamic entrepreneurs, having built and sold businesses since 1985.
