Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book is about reclaiming your health by optimizing your hormones and nutrients. Are you tired of being sick and tired? Have you had doctor after doctor seem not to care or not to listen or not to understand? Have you been told you are just depressed, or it's anxiety or you are fine, that there is nothing physically wrong with you, but you know there is something just not right? Have you been told your blood work is normal but you know something is wrong? Are you tired all of the time, anxious or depressed, having trouble getting good sleep and waking up rested and full of energy and excitement for the day? Are you thinking that your weight gain, fatigue, muscles aches, headaches, mood swings, lack of libido, and many other health issues are just the way it's going to be? Thankfully there is a solution. You may be experiencing symptoms of hormone and nutrient deficiencies. You may have food sensitivities, or even be overloaded with toxins. By addressing these four areas with specific testing and treatment recommendations, the healthy life of your dreams is just months away. Would you like to regain the health and energy of a bright young child? Are you aware that your environment, the food you eat, what you drink, and the air you breathe, may be robbing you of health and vitality? Do you know that you are absolutely missing some key nutrients that you need? Are you aware that certain foods are creating an immune response that keeps you feeling tired, foggy, and ill? Do you think that you may have some habits or behaviors that are...
