Brian and Annie were high school sweethearts. They lost touch over their college years but a little Christmas magic brought them back together. While rekindling the flame between them, they discover a riddle whose treasure will change their lives forever. For a moment, all that existed in their world was sensation, passion, and love. Brian's life had been lonely since they had parted ways for college. He runs into Annie, three days before Christmas, and decides never to let her go. Annie is back in her home town for her mother's annual holiday party. Life as a journalist had been hectic and she was looking forward to getting away from the hustle and bustle of the big city. Seeing Brian makes the years melt away. While rediscovering their feelings, they stumble upon a mystery. This spurs them into an adventure around town where the memories they make are as precious as the treasure they hope to find.
