

## Alternative Assets and Strategic Allocation: Rethinking the Institutional Approach (Hardback)

By John B. Abink

BLOOMBERG PRESS, United States, 2010. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. An insightful guide to making strategic investment allocation decisions that embraces both alternative and conventional assets In this much-needed resource, alternative and portfolio management expert John Abink demonstrates new ways of analyzing and deploying alternative assets and explains the practical application of these techniques. Alternative Assets and Strategic Allocation clearly shows how alternative investments fit into portfolios and the role they play in an investment allocation that includes traditional investments as well. This book also describes innovative methods for valuation as applied to alternatives that previously have been difficult to analyze. Offers institutional investors, analysts, researchers, portfolio managers, and financial academics a down-to-earth method for measuring and analyzing alternative assets. Reviews some of the latest alternatives that are increasing in popularity, such as high-frequency trading, direct lending, and long-term investment in real assets. Outlines a strategic approach for including alternative investments into portfolios and shows the pivotal role they play in an investment allocation. Using the information found in this book, you'll have a clearer sense of how to approach investment issues related to alternative assets and discover what it...
