*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*

## BLOODSTREAM : A NOVEL OF MEDICAL SUSPENSE

Harper, London, 2004. Paperback. Condition: New. Brand new. The small resort town of Tranquility, Maine, seems like the perfect spot for Dr Claire Elliot to shelter her adolescent son, Noah, from the temptations of the big city and the lingering memory of his father's death. Claire's hopeful that she can earn the trust of the town as she builds a new practice. But all her plans unravel with the onset of winter, when a rash of teenage violence, far more deadly than anything she'd encountered in the city, erupts in the local school. As she tries to find a medical explanation for this murderous epidemic, Claire stumbles upon an insidious evil which has blighted the town's past and threatens its future. Fearful that Noah too is at risk, she must race to prove her theory before everything she loves is destroyed.
