Createspace, United States, 2012. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****. Written for the general reader who has a love of history Cross reveals the critical background information for a first step forward to greater understanding of money in America. With context being ever so important Cross takes us back to antiquity, brings us forward to early American history and then carries us up to...
