

The Theory of Everything All the Way Up Enhanced Print

By Austin P Torney

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 40 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Everything explained, its source, its Why and How, and then the Where, What, Then and When, leading on up to the Who of being, plus many discussions, epic thoughts illustrated, brain waves illustrated, and more. Intro: The TOE must not only encompass the unification of the forces, which is the GUT (the Grand Unification theory), but it must also demonstrate why anything exists at all, and how it does so, and, furthermore, how that ties in to what we have become up to now, such as how we operate, and so forth. Why does anything exist at all is much akin to the great philosophical question of Why is there something instead of nothing? Both questions are stated backwards, as if something had to be decided, versus there being Nothing a lack of anything. Some presume that something came from an absolute Nothing or that things are forever made of even smaller things. These are not the case, for causes cannot forever precede causes an infinite regress, nor can a total Nothing ever produce anything, for it has no existence, meaning...
