## I LOVE GYMNASTICS (PAPERBACK)

Gareth Stevens Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Gymnastics are a great way for kids to get active at an early age. The rolling, tumbling, and flipping in a safe environment can one day lead to big moves and exciting Olympic performances. Starting small, though, is a great way to build both reading and gymnastic skills and establish the foundation for future greatness. Early readers get an inside look at the gymnastics studio, building strength and learning new moves while also learning about mat safety. Technical terminology and fun, full-color photographs provide strong picture-text correlation and help readers build a love for gymnastics with every page.
