BY ITALIAN SEAS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ernest C. Peixotto has been known chiefly as the artist whose sketches in pen and ink or wash have illuminated so many articles and stories of travel, but in his new book, *By Italian Seas*, he gives proof of ability to describe as pleasantly and picturesquely in words as in drawings the countries that lie along the Mediterranean. There are thirteen chapters in the book, taking up the Riviera, the Dalmatian Coast at Fiume, Mostar. Ragusa and other places, Sicily, Naples, Venice, Malta, and Tunis and he has illustrated them with seventy or more drawings, varying from little sketches of out-of-the way corners to large drawings that give a more comprehensive idea of the country and of the towns. In his preface he says: This book has been called *By Italian Seas*, though to-day several of the countries pictured therein are politically not part of Italy. But they are bound to Italy by the strongest bonds. Dalmatia, though Austrian, was for so long a time under the domination of Venice that its art, its civilization, and even its language are essentially Italian. Malta, though English, was a cosmopolitan island, like Sicily, belonging first to one power, then to another, and to none so much as to the Knights of Malta, whose most powerful auberge was that of Italy and Provence. Tunis was Europeanized by Italians, with whom the French protectorate is still a standing grievance and a source of national resentment. The papers contained in this book have been treated from the standpoint of a lover of nature, being but a record of the charm that he found in seeking spots and sensations away from the beaten tourist track. The...
