Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. You were my first love. I hope you'll be my last love, too. Alex Halford's rock star husband, Glenn, steals away in the middle of the night, leaving her with their two boys, a mountain of debt, and one person to turn to - his lifelong friend and bandmate, David Callahan. David helps Alex pick up the pieces of her shattered life, happy to have any time with the woman he's loved for 17 years. Every moment with her is ripe with opportunity, and every last idea running through his mind would destroy his brotherly bond with Glenn. Out from under Glenn's thumb, Alex can see the person she was before marriage, finding feelings for David she thought she'd left behind in high school. A single kiss and the floodgates open, giving her new hopes of happiness. But when David and Glenn's band has a chance to be back on top, David must convince Glenn to return. With every passing day, success comes closer, Glenn's ego inflates, and David and Alex find it more difficult to hide. One misstep and the secret comes out, forcing David to choose between his life's work and the woman he doesn't want to leave behind. *Hiding in the Spotlight* is a standalone contemporary romance with no cliffhanger. A super-sexy rock star hero who's been keeping his hands off the heroine for 17 years makes for a book intended for adults who enjoy reading steamy, fully-realized sex scenes.
