

## Open City (Main)

By Teju Cole

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Open City (Main), Teju Cole, This is the bestselling debut novel from a writer heralded as the twenty-first-century W. G. Sebald. A haunting novel about national identity, race, liberty, loss and surrender, Open City follows a young Nigerian doctor as he wanders aimlessly along the streets of Manhattan. For Julius the walks are a release from the tight regulations of work, from the emotional fallout of a failed relationship, from lives past and present on either side of the Atlantic. Isolated amid crowds of bustling strangers, Julius criss-crosses not just physical landscapes but social boundaries too, encountering people whose otherness sheds light on his own remarkable journey from Nigeria to New York - as well as into the most unrecognisable facets of his own soul.

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

*Completely essential go through book. I actually have to go through and I am sure that I am going to go to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.*
