Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In Nashville they call it The Number System. Easy to understand, this book will have you immediately composing your own tunes and arranging simple ways to accompany any song you want to play or sing. In fact, I know a girl who joined a band after practicing these short lessons after only two weeks. The Nashville number system was created for studio musicians to easily transcribe songs into different keys depending on the vocal range of the singer. MUSIC IS NUMBERS will show you how to create different harmonic sound combinations. It s as easy as mixing yellow and blue paint to create the color green. Here is a copy of the letter inside the book. Dear Friend, I have developed this easy program to teach the simple mechanics of music. We live in a 3 dimensional world measured by numbers. Music is also 3 dimensional and measured with numbers. Timing is dictated by the space in between the notes. It is the rhythm that evokes the emotion of the music just like breath, the beating of our hearts and the waves breaking on the sand. Music is the universal language that speaks to all living things. There is evidence that plants grow healthier when exposed to music. Some farmers have been known to put speakers in their fields to play symphonies for their crops. Many times when I play the piano, small animals will come on my porch to be entertained. A lullaby will calm a baby and put it to sleep. Even the earth sings as she soars through the solar system spinning on her axis. Our world is full of music. I often use the sounds of nature...
