## The ABCs of Ethics: A Resource for Leaders, Managers, and Professionals

By Michael L Buckner

iUniverse, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The ABCs of Ethics is designed for leaders, managers, professionals, students, and other people interested in improving ethical behavior within themselves, inside organizations, and throughout society. Michael L. Buckner answers the age-old question: Does the end justify the means? Using stories and anecdotes from his work as an attorney and a private investigator, Buckner concisely defines the issues surrounding this topic while encouraging contemplation regarding common questions of ethics and integrity. By using examples of corporate piracy, privacy issues, and commonplace dilemmas, he shows us how to create a newer, more modern definition of ethics for use in today's society. The chapters in The ABCs of Ethics use the framework of the English alphabet to stimulate and facilitate the discussion of ethics. The ABCs of Ethics provides an understanding of both the legal and the philosophical foundations of ethics, while keeping the discussion relevant to today's business, political, and legal environment. By discussing the role that gray areas play in ethics violations, and how the active pursuit of character development leads to more ethical behavior, this...
