

Keeping You A Secret (Paperback)

By Julie Anne Peters

Little, Brown Company, United States, 2008. Paperback. Condition: New. Reprint. Language: English. Brand New Book. Why fall in love if you have to keep it a secret? With a steady boyfriend, the position of Student Council President and a chance to go to an Ivy League college, high school life is just fine for Holland Jaeger. That is until Cece Goddard comes to school. Cece and Holland develop undeniable feelings for one another, but how will others react to their burgeoning relationship? This moving love story between two girls is the worthy successor to Nancy Garden's classic coming out novel, *Annie on my Mind*. With Peters' usual humour and breezy style this is a compelling read.

Reviews

Certainly, this is the finest work by any article writer. It really is full of wisdom and knowledge. You will not sense monotony at any time of your own time (that's what catalogs are for concerning should you ask me).

-- Marion Mann DDS

I actually started out looking at this publication. It was actually written really perfectly and useful. Its been written in an extremely simple way and it is only soon after I finished reading through this pdf by which really modified me, change the way I really believe.
