

FDA Medical Product Approvals: Hearing Before the Subcommittee on National Economic Growth, Natural Resources, and Regulatory Affairs of the Committee on Government Reform and Oversight House of Representatives, One Hundred Fourth Congress, First

By Unknown Author

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Fda Medical Product Approvals: Hearing Before the Subcommittee on National Economic Growth, Natural Resources, and Regulatory Affairs of the Committee on Government Reform and Oversight House of Representatives, One Hundred Fourth Congress, First Session, August 8, 1995 You will, no doubt, hear more about this aspect of the problem from other testimony that you will hear today. Again, I emphasize that the greatest care is taken to ensure that these devices are safe and efficacious prior to their human application. A specific example of our concerns relates to the coronary stent, a small, thin, metallic device that is permanently implanted into coronary arteries Of ill patients to hold these vessels open. Only two types of stents are currently available in the United States. Both devices were available to European patients long before they were available in the United States. A current example of this problem as it now stands relates to a new type of stent that is coated with a drug. In the past, a small fraction of these stents occluded causing potentially serious problems and an...

Reviews

The ebook is easy to go through easier to recognize. We have study and I am certain that I will planning to read through once again once again in the future. I am quickly will get a pleasure of studying a composed publication.

-- Prof. Adah Mertz Sr.

Without doubt, this is the very best function by any writer. It typically will not charge too much. I discovered this publication from my dad and I encouraged this pdf to discover.

-- Clement Stanton
