Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Old school bodybuilding, is about the great legends of bodybuilding that started it all. A comprehensive history of all of the great legends, from Eugene Sandow to the great Arnold Schwarzenegger and many others. Trace the evolution of bodybuilding as we know it today and learn the history of some of the greatest bodybuilders the world has ever seen. This book takes you back to the golden years of bodybuilding when it was in its most simple form, as it was intended to be. Discover their training habits, favorite routines and diets that helped these great legends achieve some of the greatest physiques of all time. Most importantly, this book documents their greatest achievements and what it took to get them to achieve superior physiques at a time before anabolic drugs were in existence. With over 30 great legends listed in this book, you will learn and appreciate the dedication, hard work and persistence in depicting the American bodybuilder from the 1800 s to the late 1990 s. Learn some of their training routines, methods, and diet plans that were never before exposed. You will also find detailed information about their training habits, favorite body parts, types of diet they followed and how it all started for them. Share some of their secrets in their training methods, dietary plans and learn their techniques to meet your bodybuilding goals. Old school bodybuilding workouts are the wheel that the new generation attempts to keep reinventing. Some of the world s greatest bodybuilding legends got their physiques from these old school workouts. From the late 1800 s, and in each decade after that, exercises and routines are listed for you to see and apply...
