Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Majestic View Drive is the sixth book in a series of novels featuring Michael Mickey Ross. The first three books are in the form of a trilogy. They are Rommel's Black Box, The Loon's Vendetta, and The Golden Jackal. Please note that every book written is a standalone novel. Throughout this story Ross is doing what he did most of his life and what he does best - homicide investigations. The only difference now is that Ross and Yankee Investigations have been hired by a defendant. The serial killer in question leaves a distinguishable mark...
